

The gift
for "him"!

Wives
Mothers
Sisters
Sweethearts!

Here's the gift that every man who smokes a pipe or rolls his own cigarettes will be grateful for. It's delicious Prince Albert tobacco. It can't bite his tongue, it's fragrant smoked in the house, it's the delight of every man who knows good tobacco.

PRINCE ALBERT
the national joy smoke

makes it possible for every man to smoke a pipe! Give "him" a jar of P. A. and get him interested in a jimmy pipe. You've no idea how much solace and comfort it means after supper—or any other time. The handsome glass humidifier holds a pound of Prince Albert and lasts a long while, whether "he" smokes it via a jimmy pipe or a cigarette. A sponge in the top of the lid keeps the tobacco moist and delicious. It's your duty to make "him" P. A. joyous this Christmas.

Buy Prince Albert at all tobacco stores in pound glass humidifiers, half-pound tin humidifiers and also in the 10c tidy red tin and 5c toppy red bag.

BASEBALL FIGURES OF MUCH INTEREST

Showing What a Number of
Former Major League
Players Did.

CHICAGO, Dec. 14.—Former major league baseball players stand out prominently among the leading pitchers and fielders of the American Association, according to the official averages for the season of 1922, issued today by Thomas M. Chivington, president of the organization.

Two former Cleveland pitchers, Krause and Falkenberg, of Toledo, head the pitching list. Krause's name appears first with thirteen victories and four defeats, giving him an average of .760. It was his remarkable showing with Toledo which caused him to be returned to Cleveland in mid-season. His second entrance to the major league was marked by a string of defeats, however. Although Falkenberg is named second on the official list, he was the real league leader, with twenty-five victories and eight defeats, a percentage of .758. Falkenberg was with Washington before he went to Cleveland. This was "Cy's" first year in the minors since he left the American League.

Packard, a Columbus pitcher, suffered the same number of defeats as Falkenberg but won one less so he finished third with a mark of .750.

Rieger, of St. Paul, lead the pitchers in fielding, having a clean record in twenty-five games. He accepted fifty-one chances. Rube Waddell's name tops the list. He fielded .816.

Among the first basemen, Jones, of Milwaukee, the old American league player, took first honors, making only twenty-six errors in 150 games and establishing a percentage of .984. Delahanty, of Minneapolis, set a mark of .995 but he participated in only twenty-one games.

Otto Williams, who has been in the association for many years, topped the second basemen with a mark of .970 for 145 games. Rockenfield, of Kansas City, who will be seen in the Western League this year, made a percentage of .979, but he was in only twenty-eight games.

Eddie Lennox, who started the season with the Chicago Nationals, went to Louisville and finished in Kansas City, and fielded .955 at third base in eighty-six games. Westcott, of Indianapolis, set a mark of .968 in nineteen games.

At shortstop McKechnie, of St. Paul, fielded .946 in forty-one games and was listed first. Beaumiller, of Louisville, ranked fourth officially, but in 103 games he made a mark of .933. Corriden, who Kansas City sold to Detroit and who recently was sold to Cincinnati in the Tinker deal for \$8,000, fielded only .904.

Johns, of Columbus, accepted fifty-eight chances in the outfield without an error and obtained first on the list. Burns, of Toledo, however, accepted 387 chances and set a mark of .979, so he probably should be regarded as the leading outfielder.

Fielding honors in the catching department belong to Owens, who worked behind the bat last season for Minneapolis. In 136 games he made only fourteen errors, setting a mark of .983. Ray Schalk, who came to the Chicago Americans from Milwaukee, made seven errors in eighty games and is credited with a percentage of .955.

The Indianapolis club fielded .955 as a team and led the league, making it evident that they were weak in the batting department else they might have finished higher up in the pennant race. Other teams fielded as follows:

Columbus .953, Toledo .952, Minneapolis .951, St. Paul .951, Louisville .950, Kansas City .948 and Milwaukee .947.

SQUIRE SHIFFLETT PRAISES IT

BECAUSE IT CURED HIS BOY'S
COUGH IN A HURRY.

Bear's Emulsion Puts the Body in
Shape to Resist Germs of
Consumption.

"Squire P. P. Shifflett, one of the
most successful farmers and business
men in East Rockingham, writes:

Dear Sir: Three years ago my little grandchild had a very bad cough and cold. We gave her nearly everything that was recommended for coughs, but she appeared to be getting worse all the time. My neighbor, E. E. Coffman, told me of Bear's Emulsion. I bought a bottle and a few doses began to make such a difference in the child that we all felt greatly relieved as we had been uneasy about the cough for some time. The remedy not only broke up the cough but toned up the system better than anything I ever saw. I can recommend it to any one wanting something for a cough or general tonic.

Yours respectfully,

P. P. Shifflett.

A NEW RECIPE FOR MAKING FUDGE.

Cut This Out and Try It.

Take 2 tablespoons butter, 1 cup milk, salt, 2 cups sugar (brown or white), 1 cup Zatek Chocolate Icing, few drops vanilla.
